CutZit

This retractable knife is safely and conveniently built directly into a key tag. Molded from durable plastic, CutZit has a tempered razor-sharp blade with a patented one-hand safety action that locks the blade in two open positions for hundreds of uses on the road, at home, in the office or shop. In addition, it keeps all of your keys handy. Each CutZit is attached to a direction card.

Color: White only. Imprint area: 3/8" x 7/8" on head; 3/8" x 1-1/4" stem. Weight: 1/3 Oz.
